FALCON DOCKING STATION

BELL TRONICS LTD

8 PORT Docking Station with Auto Upload

The Falcon S1 8-Port Smart Docking Station can accommodate up to 8 cameras for charging and data transfer. The Falcon S1 Smart Docking Station automatically detects when Falcon Cameras are docked and immediately uploads all files to the computer

FALCON DOCKING STATION

BELL TRONICS LTD

General

Dimensions	32mm x 20mm x 8mm
Weight	2.85kg
Power	230V
Capacity	Up to 8 Cameras
Charging Time	3 hours
Buffering	Onboard USB Storage
Software	Standalone or PC
Status	LED status bodycam

Connect

Wired Connectors	USB

ENVIRONMENTAL

Operating Temp	-20° C to + 60° C
Storage Temp	-30° C to +80° C
